BJP selects Yaduveer Wadiyar for Mysuru-Kodagu LS seat

- **Yaduveer thanks Modi, Nadda; also thanks Yediyurappa, B.L. Santosh**
- **Congratulates Prathap Simha for completing successful two terms**

Yaduveer Wadiyar

Prathap Simha

Mysuru, Mar. 14 (BCT)- The BJP's selection of candidates for the Lok Sabha (LS) polls in Karnataka released last evening includes notable replacements, one of which is the allocation of the Mysuru-Kodagu ticket to Yaduveer Krishnadatta Chamaraja Wadiyar, the scion of the erstwhile Mysore royal family.

Speculations about Yaduveer's candidacy had been circulating for some time and the BJP's official list has now confirmed it.

Aged 32, Yaduveer is the adopted son of Pramoda Devi Wadiyar, the wife of his uncle Srikantadatta Narasimharaja Wadiyar.

Yaduveer's biological parents are Swarup Anand Gopal Raj Urs and Tripurasundari Devi.

Tripurasundari Devi, Yaduveer's mother is the daughter of the late Gayatri Devi — daughter of Jayachamaraja Wadiyar (the 25th and final ruling Maharaja of Mysore) and elder sister of Srikantadatta Narasimharaja Wadiyar.

This marks Yaduveer's debut in electoral politics and the BJP's decision to field him from the significant Mysuru region.

Yaduveer pursued his schooling at Bengaluru's Vidyanikethan School and later completed higher education in USA, where he obtained a degree in English Literature and Economics.

Following the announcement of his candidature, Yaduveer, who had maintained silence amidst the ongoing rumours, finally broke his silence on social media to share his thoughts.

EDITOR'S BOTTOMLINE

I am 86 years old and I live alone in a new country (the US). I was born in India and lived there for more than 70 years. I want to say some good things for seniors. I am independent, live alone and do my own things. At old age, you need not feel lonely. You can try and do something, whatever you like.

Everyone has some talent. Somebody may be good at talking and giving advice. Somebody else may like music and also be good at playing music. Or creating new music and tunes. If you don't know something, there is no need to be shy. You can learn from somebody or from some friends. Nowadays, family members may have no time or patience to spend time with you, so have good friends you can talk to and learn from.

Due to age, old people don't understand quickly. It takes time to understand anything. So, don't worry about it. All people may not have patience with you. Do something good, something that gives you happiness.

Music gives me very good company; it is a great way to relax. I practice music daily — play the piano or keyboard. I also do a lot of knitting. I make shawls, baby blankets, etc. Start slowly and learn new patterns. Watch good movies and good serials and learn from reading and watching.

Go shopping and look at various things in the shops — beautiful flowers, plants, colourful wool and other things.

Look at all the bright colours on the trees.

Don't be afraid of things. Don't always think about the past or about the future. The past is gone and cannot come back. Whatever happens in the future, you can face it. But you have to live in the present. So, enjoy the present — whatever you see, whatever you get.

Make friends — in person, locally and on the phone. Share your emotions with others. If you don't want to share with others, just write down all your emotions. You can cry if you want. But get up, wash your face with cold water and come back to normal. This is what I do when I feel sad.

Old age has many difficulties, but you can be strong, enjoy life and face whatever comes — health or other difficulties. Don't sit alone and worry. Do something. Exercise your body and your mind. Be happy.

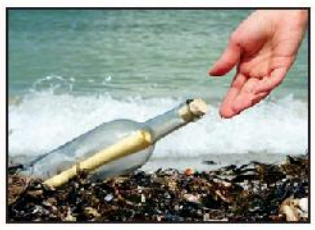
Message in a bottle travels 6 miles in 40 years



Angus: A woman cleaning up trash on a Scottish beach found a message in a bottle that had been launched about 6 miles away by a trio of schoolchildren in 1984.

Jenny Smith said she was filling bags with trash along the Tay Estuary in Angus when she found a bottle with something colourful inside. Smith unfurled the paper and discovered it was a hand-drawn map.

The map protected three messages written by a trio of 8-year-old students who attended Wormit Primary School in 1984. Smith was able to contact that note's author, now named Kelly Laskiewicz, as well as the other two girls, Linda Bell and Anna Greenhalgh.

The women said the message in a bottle had been part of a school assignment when they were learning about pirates.

Gold Lego piece auctioned for over 18,000 dollars

Du Bois: A 14-karat gold Lego piece donated to a Pennsylvania Goodwill store was originally priced at $15, but ended up selling for over 18,000 dollars.

Goodwill officials said workers at the store in Du Bois were sorting through a bag of jewelry transferred from the State College Goodwill store when they found the Lego piece, a small Bionicle mask. Workers researched the piece and discovered it was an extremely rare "Kanohi Hau" mask. Lego created only 30 of the gold masks.

Goodwill auctioned the piece and it ended up being sold for $18,100 to an anonymous collector.

The gold mask is now believed to be the most expensive Lego piece ever sold, taking the title from a 14-karat solid gold 2x4 brick that sold for $15,000.

'Sri Ramakrishna Paramahamsa saw God in all living beings'

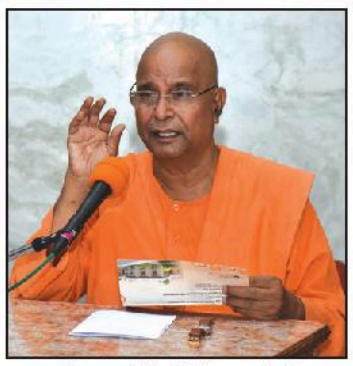
Swami Muktidanandaji speaks at 189th Jayanti celebrations at Sri Ramakrishna Ashram

Mysuru, Mar. 14 (SPN&BS)- President of Sri Ramakrishna Ashram in Mysuru, Swami Muktidanandaji, emphasised that Sri Ramakrishna Paramahamsa never laid claim to greatness himself. Instead, he staunchly believed that the presence of the divine could be experienced in every aspect of nature and within every individual, regardless of gender.

Speaking at a special lecture titled 'Bhagwan Sri Ramakrishna's Life and Message,' organised on Mar. 12 as part of the 189th Jayanti celebrations of Sri Ramakrishna Paramahamsa at Sri Ramakrishna Ashram in Yadavagiri, situated on KRS Road, Swami Muktidanandaji elaborated on the profound teachings of Sri Ramakrishna.

Highlighting the simplicity and magnanimity of Sri Ramakrishna Paramahamsa, Swami Muktidanandaji cited the example of how Goddess Kali was worshipped in the form of a simple woman. He underlined that the true vision of God is not attained solely through achieving liberation or performing rituals but is instead found in our everyday actions.

He stressed that displaying compassion towards fellow beings is equivalent to expressing



Swami Muktidanandaji

devotion to the divine.

He reiterated Sri Ramakrishna Paramahamsa's belief that God resides within the heart of every individual and in the beauty of nature, a message he fervently propagated to all.

The credit for elevating Sarada Mata to the status of a divine figure and spreading a revolutionary message to the world rests with Sri Ramakrishna Paramahamsa.

According to Swami Muktidanandaji, every religion guides individuals on path to experiencing divine miracles, albeit through different means, all with the ultimate objective of realising God.

Sri Ramakrishna Paramahamsa possessed a clear understanding of the divine essence inherent in all living beings, regardless of gender. He advocated equality among all individuals and stressed the necessity of mastering one's senses

to attain liberation.

As part of the Sri Ramakrishna Paramahamsa Jayanti celebrations, various rituals were conducted throughout the day, including the recitation of Vedas and mantras, special pujas and the chanting of Vishnu Sahasranama. Devotional songs were performed by Sri Sarada Samvit Bhajan Mandali and Prasadam was distributed to devotees.

Linking RTCs with Aadhaar card begins; to curb land frauds

Government asks Sub-Registrar Offices to work on Sundays too on a rotation basis to complete tasks

Mysuru, Mar. 14 (RK&BCT)- In an effort to address the issue of numerous Records of Rights, Tenancy and Crops (RTCs) still registered under the names of deceased farmers, the State Government has initiated a process to link all RTCs with Aadhaar cards.

Following a Gazette Notification on Mar. 11, the process of linking Aadhaar to RTCs has begun at all Sub-Registrar Offices in Mysuru and as per the Government instructions, the Sub-Registrar Offices have been asked to work on Sundays too on a rotation basis in the districts to complete the work.

Linking RTCs to Aadhaar would not only help in preventing land-related fraud but also ensure clarity and certainty regarding land ownership. Also, the Revenue Department is seeing this as a permanent solution to facilitate the provision of Government scheme benefits to eligible farmers.

RTC, also known as Pahani, contains information such as

owners' details, area, soil type, nature of possession of the land, encumbrance, crops grown and so on.

The Revenue Department officials are actively engaged in the process of linking all RTCs with Aadhaar cards, employing a dual approach. This involves either official visiting the residences of farmers/ landowners or farmers personally visiting Village Accountant (VA) offices. This initiative is part of the Revenue Department's programme titled "Nanna Bhoomi, Nanna Guruthu" (My Land, My Identity).

Instructed to continue their efforts even after the announcement of Lok Sabha polls, VAs are tasked with the ongoing task of linking Aadhaar with RTC records. Officials will conduct visits to residences to facilitate this process, while individuals also have the option to visit Revenue Dept. offices for assistance.

In Mysuru, there are 14 Sub-Registrar Offices and there are five in the city limits — Mysuru East (Dr. Rajkumar Road in Teachers Layout), Mysuru West (near Vijayanagar Water Tank), Mysuru North (Mini Vidhana Soudha in Nazarbad), Mysuru South (Ramakrishnanagar) and at MUDA Office on JLB Road. At the district level, there are nine Sub-Registrar Offices — T. Narasipur, Bannur, Nanjangud, K.R. Nagar, Mirle, Periyapatna, Bettadapura, Hunsur and H.D. Kote.

In the pilot project initiated to link Aadhaar with RTCs, Department officials have reached out to approximately 19 lakh farmers in the State. Shockingly, among them, around 6 lakh farmers have already passed away, yet their documents remain registered under their names. In response to this concerning issue, the Department has decided to organise an Adalat, or special court session, to facilitate the linking of Aadhaar with RTCs.

Officials assert that linking Aadhaar with RTCs is crucial in combating fraudulent activities related to land ownership and transactions. This proactive measure aims to rectify discrepancies and ensure that land records accurately reflect current ownership status.

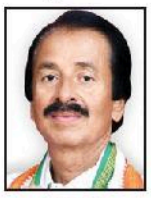
A politician with a difference

Sir,

Mysuru mourns the loss of ex-MLA Vasu, a politician known for his down-to-earth demeanour and compassion. My first encounter with him was during his tenure as the Mayor of Mysuru City Corporation, regarding a public interest issue in Gokulam 3rd Stage. Despite being surrounded by admirers, he graciously afforded me a patient audience and promptly addressed the matter within days.



Vasu

In 1994, I visited his home in Siddarthanagar seeking his assistance in arranging a meeting with Dr. M. Veerappa Moily, the then Chief Minister of Karnataka, whom I wished to invite as the chief guest for an annual conference of surgeons in February of that year.

Vasu's kindness was evident as he accompanied me and my friend, orthopaedic surgeon Dr. N. Nityananda Rao, to Bengaluru via a non-stop train. His willingness to personally facilitate such requests, despite his role as the political secretary to the CM, was a testament to his exceptional character.

Recently, I inadvertently dialled his number and promptly disconnected. Within seconds, he returned the call to inquire about the reason for my call. Such humility and responsiveness were hallmarks of Vasu's personality.

He was a politician of unparalleled calibre, remembered fondly by the citizens of Mysuru for his remarkable courtesy and genuine concern for others.

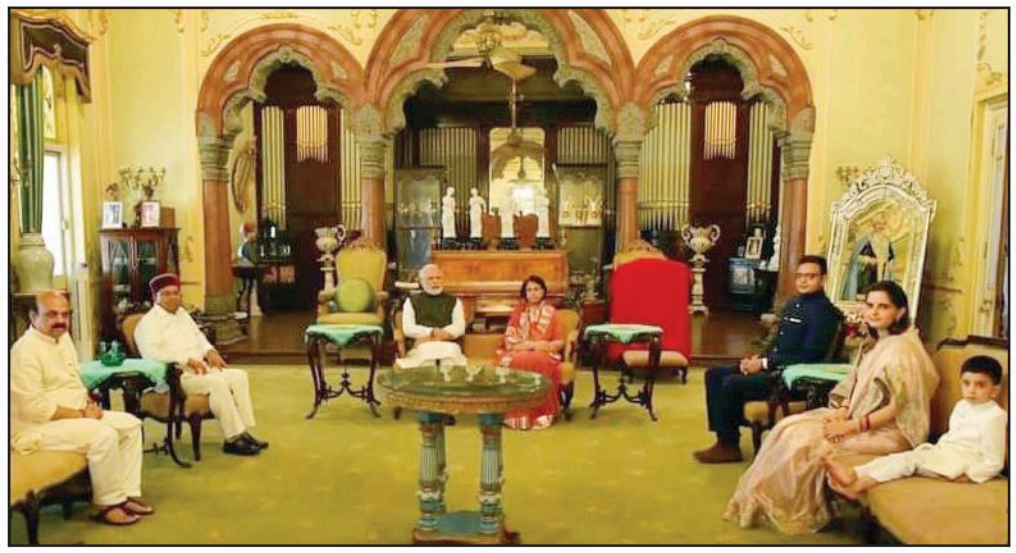
Prathap Simha denied BJP ticket

...but the lion will roar...



(Pic. extreme left) ***Prathap Simha, MP.*** *(Picture right)* ***Prime Minister Narendra Modi with Pramoda Devi Wadiyar and*** *(from left)* ***former Chief Minister Basavaraj Bommai, Governor Thaawarchand Gehlot, Yaduveer Krishnadatta Chamaraja Wadiyar, Yaduveer's wife Trishika Kumari Wadiyar and son Aadyaveer Narasimharaja Wadiyar at the Palace when Prime Minister Narendra Modi went there for breakfast on June 21, 2022.***

The BJP ticket for the Mysuru-Kodagu Parliamentary election 2024 has gone to Mr. Yaduveer Krishnadatta Chamaraja Wadiyar, the adopted son of Srikantadatta Narasimharaja Wadiyar of the Mysore Royal Family.

2. The BJP voters, specially the RSS-Modi fans and supporters, were expecting the incumbent MP Prathap Simha to do the hat-trick by getting the ticket for the third time and winning with a greater margin than in the past.

3. Unfortunately to the disappointment of Prathap Simha's fans, followers and silent admirers he did not get the ticket when the second list of BJP candidates was announced last evening.

4. In retrospect, this unfair, unjust and even malicious denial of ticket to Prathap Simha, at a time when everything seemed going good for Narendra Modi and the BJP in this election, is more in the nature of being indifferent to the aspirations of BJP's traditional voters just to please and oblige the Wadiyar Royal dynasty. **Who knows, advantage Congress.**

5. Of course, the announcement of denial did not come as a surprise either to Prathap Simha himself or the media. The suspense was already in the air when Mr. Yaduveer's name began to waft in the political atmosphere of Mysuru-Kodagu Constituency.

6. According to a TV channel last evening it was B.S. Yediyurappa, BJP honcho, who persuaded Mr. Yaduveer, presumably a reluctant aspirant, to agree to contest. The TV channel even named the senior BJP MP, close to Modi, as being the source of this information.

7. In truth I myself was present once when Mr. Yaduveer told the media that he was not interested and it was too early for him to think of politics. How then this change of mind to contest the election came around is a million dollar question.

8. We know that his adoptive father Srikantadatta Narasimharaja Wadiyar had lost as BJP candidate once and won as a Congress candidate four times. If so why Mr. Yaduveer preferred BJP and not Congress to make his entry into politics?

9. Will the history repeat itself to the embarrassment of BJP this time too? God only knows. Let it be.

10. In life everything happens for a reason. The grapevine has it that it is the unbeatable combination of local 'adjustment politics' and the high-octane BJP political leadership at Delhi (through family alliance) that air-dropped the ticket, like manna from heaven, for Mr. Yaduveer Wadiyar. This information too is in the public domain.

11. I am now wondering why no one, including media, could divine the deeper purpose of Prime Minister Narendra Modi's visit to Mysore Palace for breakfast with the Royal family where Mr. Yaduveer was conspicuously present. The media merely reported the visit providing the frivolous details of what the menu was and what the Prime Minister savoured smacking his lips. **The fate of poor Prathap Simha was sealed at that Royal breakfast table on June 21, 2022.**

12. Some people reason this denial of ticket to Prathap Simha and justify it saying that after all he has served two terms and let new-comers get a chance. Well, here there is neither reason nor justification. After all, have we not seen politicians enabled for more than two terms? Mr. Srikantadatta Narasimharaja Wadiyar himself is an example. **What legacy has he left behind as a four-time MP for us? Ironic that it was Prathap Simha who got the name Tipu Express changed to Wadiyar Express even though Wadiyar was four-time MP and belongs to the same Wadiyar dynasty. Yet he could not even think of it, let alone do it.**

13. In the past we have seen many MPs from different political parties promising maximum at the time of election and delivering not even minimum beyond doling out the MPs Local Area Development Fund, that too not completely. It is here we find Prathap Simha making a difference. **In his 10 years what he has done for his Constituency is unthinkable** — from Passport Seva Kendra to trains to the Expressway and Airport — the list is too long to enumerate here. One old Professor told me that among the MPs in this Constituency he could remember only two names — Tulasidas Dasappa and Prathap Simha.

14. I am reminded of Shakespeare who wrote, probably keeping in mind the ways of politicians and rulers, *"The evil that men do lives after them; The good is oft interrèd with their bones."* Did the BJP High Command forget the good that Prathap Simha did for his Constituency enhancing the image of BJP and Modi among the voters?

15. This said I have no hesitation to say that a large number of BJP traditional voters are disappointed. A couple of senior citizens called me to share their sentiment and wondered how should they face the ballot box or EVM? NOTA they said. That is the glory of Democracy, I said.

16. And finally, like agriculture, politics too is a gamble in India. Only a few are lucky in love and war. And election is a war. Sadly this time Prathap Simha, despite fighting well, lost the war due to reasons our Rajas and Maharajas lost the war to foreign invaders.

Best of luck next time Mr. Prathap Simha. Do not despair. There will be a new dawn in BJP for you. Bide your time.

LS: Check-posts set up in Dist.

Mysuru, Mar. 14 (RK&DM)- With just a few weeks away for the LS polls, the District Administration in association with the District Police, have set up check-posts on Highways, State Highways and all other entry and exit roads of the city and district.

Speaking to *Star of Mysore*, DCP M. Muthuraj said that the check-posts have been set up for effective implementation of Model Code of Conduct that comes into effect once the poll schedule is announced.

Pointing out that each check-post has been installed with CCTV cameras and adequate number of Police personnel have been deployed to man the check-posts, he said that the check-post personnel have been suitably trained.

Mysuru Deputy Commissioner Dr. K.V. Rajendra, who is also the District Electoral Officer, has visited the check-posts and reviewed their functioning, he said adding that passing vehicles will be thoroughly checked for any poll code violations.

Continuing, Muthuraj said Police check-posts have been set up near Sunanda Factory on KRS road, near Belawadi on Hunsur road, at Bogadi Signal Light junction on Gaddige road, near Srirampura Ring Road junction on H.D. Kote road, at Signal Light junction near APMC Yard on Nanjangud road, near Chikkahalli on T. Narasipur road, near Bhugathahalli Gate on Bannur road, near Bharathnagar on Mahadevapura road, near Pushpashrama on Ring Road near Old Kesare and at Unnathinagar near Belavatha on Ring Road.

Likewise, check-posts have been set up at key points on all Highways, connecting, interior and border roads of the district, where all passing vehicles will be thoroughly checked for unauthorised transportation of cash, jewellery, domestic appliances, liquor, gift articles and the like.

The DCP further said that the checking will be intensified as per the Election Commission guidelines once the poll schedule is announced. Overall, it can be said that the District Administration, the Police and all other officials are prepared for enforcing the Model Code of Conduct for ensuring a free and fair polls.

Two new Election Commissioners

New Delhi, Mar. 14- The Prime Minister Narendra Modi led High-level Committee today picked retired IAS Officers **Gyanesh Kumar** and **Sukhbir Singh Sandhu** as the new Election Commissioners ahead of the 2024 Lok Sabha election.

Will remain a BJP worker till my last breath: Prathap Simha

Mysuru, Mar. 14 (MTY&BCT)- Upon realising that he missed out on the BJP ticket for the Lok Sabha election from the Mysuru-Kodagu Constituency, incumbent MP Prathap Simha expressed his sentiments, acknowledging that he owed his political journey to Prime Minister Narendra Modi.

"What am I without beloved PM Narendra Modi? I owe my political existence to Modi. I will remain a BJP Karyakartha (worker) till my last breath and will continue to be a Modi supporter. There is no question of my contesting the election as an independent candidate," he told reporters to their question in the city yesterday.

Simha recalled his decade-long dedication as an MP since 2014, expressing gratitude to PM Modi for introducing him to the public and enabling his Parliamentary journey. Despite not harbouring lifelong political ambitions, he affirmed his commitment to serving the BJP.

Dismissing reports implicating former CM B.S. Yediyurappa in the denial of his MP ticket, Simha praised Yediyurappa as a revered leader transcending political boundaries. He credited Yediyurappa for elevating the BJP's status in Karnataka from just two seats and acknowledged Yediyurappa's instrumental role in his own political trajectory, drawing a parallel between Yediyurappa's leadership for Karnataka and Modi's for India.

Appealing to his supporters to refrain from protesting as he will not be contesting the election, Prathap Simha highlighted the unique outpouring of support he received in the Mysuru-Kodagu Constituency.

"Nowhere across the 28 seats of Karnataka have you witnessed protests demanding tickets for a specific candidate. However, in my Mysuru-Kodagu seat, numerous protests were organised advocating for my candidacy. I am deeply touched by the love and support demonstrated by the Karyakarthas and supporters. I am truly grateful and require nothing more," he said.

'Only ideological differences with Siddaramaiah; I respect him'

I only have ideological differences with Chief Minister Siddaramaiah and I hold him in high regard. Siddaramaiah's remark suggesting that I lost the ticket due to my tarnished image is unjust. If we were to go by Siddaramaiah's logic, did he lose the 2018 election because his tarnished image?

New Delhi, Mar. 14 (Agencies)- The Bharatiya Janata Party (BJP) released its second list of candidates last evening for the upcoming Lok Sabha elections.

Comprising 72 candidates, the list spans 10 States, including Karnataka (20 seats), and one Union Territory. While some anticipated candidates secured spots on the list, there were also notable omissions, making the overall list a mixed bag of selections.

Among the candidates vying for the 20 Constituencies in Karnataka, former Chief Minister **Basavaraj Bommai,** who currently represents Shiggaon in the Assembly, will contest from Haveri, his native district. Notably, the party has decided to drop former Union Minister D.V. Sadananda Gowda (Bengaluru North), Prathap Simha (Mysuru-Kodagu), Sanganna Karadi (Koppal), Nalin Kumar Kateel (Dakshina Kannada) and G.M. Siddeshwara (Davanagere), while introducing some changes.

Union Minister of State **Shobha Karandlaje** has been relocated from Udupi-Chikkamagalur to Bengaluru North. Meanwhile, in Bengaluru, **P.C. Mohan** (Central) and **Tejasvi Surya** (South) will retain their seats. In Mysuru, Yaduveer Krishnadatta Chamaraja Wadiyar of the royal family will be contesting, taking Simha's place.

Union Minister Pralhad Joshi will continue to contest from Dharwad. The party has successfully convinced former PM H.D. Deve Gowda's son-in-law and prominent cardiologist Dr. C.N. Manjunath to be its candidate from Bengaluru Rural, where he will challenge D.K. Suresh, the sole Congress candidate to have secured victory in the Lok Sabha polls in 2019. Suresh also happens to be the brother of KPCC President D.K. Shivakumar.

Former BJP Minister **V. Somanna**, who faced defeat in two Assembly Constituencies during last year's Assembly polls, including against Chief Minister Siddaramaiah in Varuna, will contest from Tumakuru.

The party has replaced its former State President Nalin Kumar Kateel with **Capt. Brijesh Chowta** in Dakshina Kannada. In Kalaburagi, **Umesh G. Jadhav** has secured a nomination once again, having defeated AICC President Mallikarjuna Kharge in 2019. In Bidar, despite resistance from certain sections within the party, Minister of State **Bhagwanth Khuba** has been retained.

BJP stalwart B.S. Yediyurappa's son **B.Y. Raghavendra** will contest from Shivamogga. Despite facing opposition from within the party ranks, ten sitting MPs have been re-nominated, signalling the BJP Central leadership's firm stance against any threats of rebellion.

Caste considerations

In a surprising move, the Udupi-Chikkamagalur ticket was granted to the Leader of the Opposition in the Legislative Council, **Kota Srinivas Poojari,** who hails from the Billava (OBC) community.

A similar caste calculation was made in awarding the Tumakuru ticket to senior leader V. Somanna, a Lingayat known for his strong ties with the Tumakuru-based Siddaganga Mutt. Somanna's nomination comes despite his discontent following his defeat in last year's Assembly polls. Once again, the party's Central leadership has chosen to overlook opposition to Somanna.

In Haveri, despite pressure from veteran K.S. Eshwarappa, who advocated for the ticket to be given to his son K.E. Kanthesh, the BJP opted for Basavaraj Bommai. According to sources, nine sitting MPs were dropped due to factors such as anti-incumbency and age considerations. Nalin Kumar Kateel was denied the ticket due to opposition from party workers and RSS leaders.

D.V. Sadananda Gowda, V. Sreenivasa Prasad (Chamarajanagar), Shivakumar Udasi (Haveri) and G.S. Basavaraj (Tumakuru) had announced political retirement. In Chamarajanagar, former Kollegal MLA **S. Balaraj** is the BJP's nominee.

New faces

- Dr. C.N. Manjunath (Bengaluru Rural)
- Yaduveer Krishnadatta Chamaraja Wadiyar (Mysuru-Kodagu)
- Capt. Brijesh Chowta (Dakshina Kannada)
- Kota Srinivas Poojari (Udupi-Chikkamagalur)
- G.M. Gayatri Siddeshwara (Davanagere)
- Dr. Basavaraj Kyavater (Koppal)

Missed tickets

- Prathap Simha (Mysuru-Kodagu)
- V. Sreenivasa Prasad (Chamarajanagar) - political retirement
- D.V. Sadananda Gowda (Bengaluru North) - political retirement
- G.S. Basavaraju (Tumakuru) - political retirement
- Nalin Kumar Kateel (Dakshina Kannada)
- Devendrappa (Ballari)
- Shivakumar Udasi (Haveri) - political retirement
- Karadi Sanganna (Koppal)
- G.M. Siddeshwara (Davanagere)

Interesting battle on cards in Bengaluru Rural LS seat

Renowned cardiologist Dr. C.N. Manjunath Vs D.K. Suresh, brother of D.K. Shivakumar

Bengaluru, Mar. 14 (Agencies)- Renowned cardiologist Dr. C.N. Manjunath, former Director of Sri Jayadeva Institute of Cardiovascular Sciences and Research, is set to challenge D.K. Suresh in the Bengaluru Rural Lok Sabha Constituency, promising an intriguing electoral battle.

Dr. Manjunath's candidacy as the representative of the NDA (National Democratic Alliance) has been firmly established following directives from the BJP High Command and Prime Minister Narendra Modi.

Sources suggest that the decision to field Dr. Manjunath is rooted in PM's dissatisfaction with Suresh, particularly regarding his comments advocating for a separate nationhood for the Southern States. Sources indicate that PM Modi and other national leaders threw their weight behind Dr. Manjunath's candidacy to prevent Suresh's re-election to the Lok Sabha for a third term, citing concerns about his perceived 'separatist mentality.'

Dr. Manjunath met veteran BJP leader B.S. Yediyurappa last evening, during which Yediyurappa said, "When individuals of such calibre contest, they should ideally be elected unopposed, but elections are an inevitable aspect of politics."

In response, Dr. Manjunath remarked, "This upcoming election will mark a hat-trick victory for Modi. Under his leadership, our nation has garnered global recognition across various sectors, including the economy. He has consistently championed achievers and specialists."

Dr. C.N. Manjunath

D.K. Suresh

'No politics in politics'

Reflecting on his professional background in cardiology and healthcare, Dr. Manjunath emphasised his commitment to ensuring that medical services are accessible to the underprivileged at affordable rates. He clarified, "I will not do politics in politics."

Expressing gratitude for the widespread support he has received, Dr. Manjunath affirmed his readiness to face any challenges, citing the popularity of Prime Minister Modi and the leadership of figures like Yediyurappa, Deve Gowda, and H.D. Kumaraswamy (State JD-S President).

Meanwhile, at a party meeting in Hassan yesterday, Kumaraswamy revealed that the BJP High Command had urged him to persuade his brother-in-law, Dr. Manjunath, to enter politics and run for office.

"Dr. Manjunath hails from a farming family in Hassan district and has garnered international recognition. Initially, neither I nor Manjunath had contemplated his entry into politics. However, media speculation about his potential candidacy began circulating due to his 17 years of service. I must express gratitude to the media for this attention," Kumaraswamy stated.

He continued, "The BJP High Command approached me, insisting, 'You must somehow convince your brother-in-law. We require his presence.' They exerted pressure on me to ensure his candidacy. Consequently, he is now contesting from the same Kanakapura Constituency that was my political birthplace. Today, it is Bengaluru Rural segment."

'90 million litres of water wasted every day in city'

Journalist Amshi Prasanna Kumar (fifth from left) releasing the Silver Jubilee souvenir as Sri Yoganarasimhaswamy Temple Founder Dr. Bhashyam Swamiji, Mysuru Hotel Owners Association President C. Narayanagowda, Sustainable Livelihood Consultant Ramesh Kikkeri and others look on.

Mysuru, Mar.14 (PM&DM)- Sustainable Livelihood Consultant Ramesh Kikkeri said that 90 million litres out of the 210 million litres of water that the city is getting everyday, is going for a waste.

He was delivering a lecture on the topic "Judicious use of water" at the Silver Jubilee celebrations of Hotel Owners Credit Co-operative Society organised at a private hotel on Bengaluru-Nilgiri Road here yesterday.

Pointing out that as per the statistics of Mysuru City Corporation (MCC), a huge quantity of water (90 Million Litres) is going waste everyday, Ramesh Kikkeri advocated the need for promoting rain water harvesting in every homes. Noting that the population of the city is growing by the day, he said the need of the hour is saving precious water.

"Rain water is the only purest form of water available on land. Taking into account the average rainfall in the city, as many as 2,000 litres of water can be conserved in a 10x10 ft. space. Also, rain water harvesting system in the Palace has recorded a storage of 3 to 4 lakh litres of water. It is also important to note that rain water harvesting will help in storing water without any contamination for as long as 150 years. The hoteliers have a great responsibility of saving water", he said and called upon the members of the public to join hands in water conservation.

Ramesh also asked hoteliers to adopt judicious water usage methods as this will help save a significant quantity of water.

Vijayanagar Sri Yoganarasimhaswamy Temple Founder Dr. Bhashyam Swamiji said that Mysuru has come to be known as a Hospitality City because of the services of city hoteliers. Recalling that Mysuru was known for its hotels and a wide range of tasty delicacies right from the times of erstwhile Mysuru Maharajas, he lauded hoteliers for their good service and hospitality.

Senior Journalist Amshi Prasanna Kumar released the Silver Jubilee Souvenir on the occasion.

Mysuru, Mar.14 (RK&DM)- With the city witnessing increase in population and a spurt in vehicular movement, the city Police have planned to install 350 additional CCTV cameras at strategic and vantage points across the city as part of heightened surveillance and road safety.

Continuing, Ramesh said that the Government has completed the tender process for supply and installation of 350 additional cameras for the city. Pointing out that identification of spots for the camera installation has been completed, he said that the Police officials have been instructed to install 6 CCTV cameras each at Kalastawadi on Mysuru-Bengaluru Highway and at Manipal Hospital junction and 100 cameras along Mysuru-Bengaluru Expressway and Ring Road.

Stating that these cameras will be installed at a cost of Rs. 45 crore, the Police Commissioner said with the addition of 350 new CCTV cameras, the total number of cameras in city will be 484. Underlining the importance of installing CCTV cameras at key public joints, junctions, circles and other spaces, he said that this will help in monitoring any suspicious movements, unlawful activities, subversive acts, fomenting trouble etc. He also underscored that installation of CCTV Cameras will largely help in curbing crimes especially on Ring Road and other poorly lit areas.

WORD OF THE DAY

Ulterior

Pronunciation: ul-TEER-ee-er (Adjective)
Meaning: Ulterior describes things (usually motives, objectives, reasons, agendas, etc.) that are kept hidden in order to achieve a particular result.
Origin: Although now usually hitched to the front of noun motive to refer to a hidden need or desire that inspires action, ulterior began its career as an adjective in 17th century describing something occurring at a subsequent time, such as "ulterior measures" taken after a lawful request. It then started to be used to mean both "more distant" (literally and figuratively) and "situated on the farther side." The "hidden" sense, which is most familiar today, followed after those, with the word modifying nouns like purpose, design, and consequence. Ulterior comes directly from the Latin word for "farther" or "further," itself assumed to be from ulter, meaning "situated beyond."
Example: "Disney's most recent incarnation of depravity is also one of their more sinister: the smiling nice guy who turns out to be anything but that. Frozen, in fact, received a little flack from mommy bloggers in 2013 due to this choice, with some expressing apprehension about showing children that kindly adults could be hiding ulterior motives. Yet we'd argue that is what makes Hans such an effective villain and early demonstration to children of the fact that folks may not be what they appear." — David Crow, Den of Geek, 4 Nov. 2023

THE ODD WORD

Cacodemonomania

The pathological belief that one is inhabited by an evil spirit.

PHRASE OF THE DAY

Graveyard shift

Meaning: The phrase 'Graveyard shift' is used to describe the work shift of someone who is working during the late night or very early morning hours.
Origin: The origin of the term 'Graveyard shift' can be found in America, at the latter end of the 1800s. It comes from the quiet, lonely ambience of the small hours.
Example: "Kenneth sleeps all day because he works the graveyard shift."

KEA to host expos throughout the year

Mysuru, Mar. 14 (MTY&DM)- In order to give further boost to tourism in Mysuru region, the Karnataka Exhibition Authority (KEA) has decided to organise exhibitions and fairs throughout the year in the sprawling Dasara Exhibition Grounds.

Addressing a press meet at Dasara Exhibition Grounds here yesterday, KEA Chairman Ayub Khan said that at present the Dasara Exhibition Grounds is utilised for running the annual Dasara Exhibition for 90 days.

Pointing out that though previous Chairmen and officials had made efforts to organise round-the-year expos, it could not happen for various reasons, he said

that as a first step in this regard, it has been planned to organise a 2-month summer expo from April first week to end of May.

Continuing, Ayub Khan said that plans are being worked out for holding expos and fairs for at least 6-7 months a year as of now. The tender for the 2-month summer expo has been called, he said adding that the Deputy Commissioner and the MCC have been appealed not to give permission for conduct of fairs and expos at places other than the Dasara Exhibition Grounds. The DC has responded favourably to the KEA's plea, he added.

Highlighting the facilities available in the Dasara Exhibition Grounds, Ayub Khan said that the grounds is ideal for holding Educational Institutions Fests, Cultural Programmes etc., and the organisers will be appealed to hold their programmes at the Dasara Exhibition Grounds.

Explaining the KEA's plans for developing 156 stalls in A Block of Exhibition Grounds on heritage lines, Ayub Khan debunked MP Prathap Simha's claims that Prime Minister Modi has released Rs. 80 crore for development of Dasara Exhibition Grounds under Swadeshi Darshan 2.0 Scheme. Maintaining that the KEA has not received any such money thus far, he charged the MP of misleading the public by giving false advertisements in newspapers.

Unity Malls in all States of the country

Pointing out that the Centre has set aside Rs. 5,000 crore grant to establish Unity Malls in all 28 States of the country, he said that the Centre has released Rs. 193 crore for Karnataka.

"The Government is mulling on establishing the Unity Mall in Bengaluru. But all efforts are being made for setting up the Mall in Mysuru as thought of by Chief Minister Siddaramaiah. The KEA officials have sought land near Mysore Airport in Mandakalli or the land in the premises of Government Guest House in Nazarbad. But there are no clear plans in this regard. As such there is no point in MP Simha's claims that he was responsible for Mysuru getting the Unity Mall," he said while underlining the benefits of establishing Unity Malls in all the States.

KEA CEO Rakesh Gowda was present at the press meet.
